

Malvern Prep

Competitive Skills Clinic Program

Spring 2012

Malvern Prep Clinic programs focus on improving swimming technique and strengthening swimming skills. Our Clinic program also introduces breaststroke, butterfly, starts and flip-turns. In order to qualify for our Clinic program, evaluations are mandatory. Each child must complete a full 25 yard lap of freestyle with rotary breathing and one complete lap of backstroke in good form. Our Clinic program is a great learning experience to prepare children interested in joining Malvern Swimming Association team per coach's recommendation and evaluation. *Clinic Evaluation Dates are by appointment only after February 4, 2012.* You must call or email us to register for evaluations; mbarnes@malvernprep.org, 484-595-1146. No swimmer will be accepted into Clinic without prior evaluation.

- **Clinic I** is structured for children ages 9 years and under
- **Clinic II & III** is structured for children ages 10 years to 13 years

All Registrations must be mailed along with a check payable to: *Malvern Prep Swimming*
On or before the Registration Dates listed
